CLUB NOTES

A welcome greeting from Deepdale to all our friends and supporters at the outset of the 62nd Football League season. Fittingly enough the ever colourful Newcastle United participate in today's curtain-raiser, popular visitors to this scene—where strangely enough they have made infrequent appearances.

This afternoon they provide League opposition for only the eleventh time in the last thirty-five years—due to our relegation in 1925—and when we were promoted in 1934, passing the Tynesiders on their way down, where they were mysteriously to remain until 1948, so that for 24 long years two old and famous League clubs did not meet in the competition.

The Newcastle game here on October 29th, 1898, was the first of the 28 League matches decided at Deepdale (all in Division One), North End winning 16, drawing 4 and the Geordies victorious on eight occasions, the last time being in mid-January this year, when a moderate exhibition ended in a 2-1 win for Newcastle, all three goals being netted by North Enders. Willie Cunningham had returned to duty after an injured knee sustained at Christmas, but the trouble re-asserted itself—a sad day for Willie, inasmuch as he headed through his own goal after 67 minutes to level Tom Finney's 53rd-minute left-foot drive. Twenty minutes from the end Joe Dunn deflected the ball past Fred Else, which decided the issue. *North End:* Else; Cunningham, Walton; Milne, Dunn, Smith; Mayers, Thompson, Finney, Sneddon, Taylor. *Newcastle:* Harvey; Keith, McMichael; Scoular, Heslop, Bell; Hughes, Eastham, White, Allchurch, Luke.

PARKING OF MOTOR VEHICLES

All football supporters are asked to co-operate with the police and fire services in traffic matters near Deepdale. Large car parks exist within a short distance of the ground and more use ought to be made of them. Indiscriminate parking, often on both sides of narrow streets, is an undesirable hazard to the safety of lives and property. In an emergency these conditions would seriously interfere with fire engines, ambulances and police vehicles. Your co-operation in this matter would be appreciated.

Reserved Seat Tickets for WEST STAND and SOUTH PAVILION are available for all League games at 7/- and 8/- respectively. They will be on sale as and from the Monday before each match, at the Pavilion Stand Office, in Skeffington Road.

MEET THE OPPOSITION . . . .

Who better to open the season here at Deepdale than our old friends and celebrated Newcastle visitors—rarely out of the limelight, indeed a club proud to have contributed so much to the game in these islands. Just over a week ago the Geordies participated in their first serious fixture, when they visited Racing Club de Paris and won by the odd goal in five. Taking this as a guide to Newcastle team selection we settle for the following players to carry the famous black and white colours this afternoon.

In goal towers the thirteen stone, well over six feet tall **BRYAN HARVEY,** a native of Stepney in London around 22 years ago—joining the Newcastle staff in August 1958 without previous top class experience, since when he has been a consistent senior selection.

The full backs have a great deal in common, both Belfast born, both ex-Linfield players, and provided the international rearguard for Ireland during last season and previously. Right back is **DICK KEITH** signed from Linfield F.C. at the start of the 1956-57 season. Left back **ALF McMICHAEL** of the red thatch, for years seldom absent from the United line-up, a model of soccer stability. He went to Geordieland way back in 1949.

Right half and skipper is the non-stop personality in the rugged shape of **JIMMY SCOULAR,** born Livingstone in Scotland, secured from Portsmouth in 1953, where he had made a considerable reputation—rewarded with Scottish international caps, around the time of his transfer to Tyneside. Pivot is the six-feet-tall local

BOB STOKOE, born Mickley Colliery, a former Spen Juniors F.C. player, a club asset of ability to fill a variety of positions, over twelve years at St. James' Park, and a first team regular for the past ten years. He scored a penalty in Paris last week, at the second attempt. Left half features the Deepdale unknown **GEORGE BRIAN WRIGHT,** aged 21 years, who hails from Sunderland, signing for United on his 17th birthday.

Right winger **GORDON HUGHES,** the 24-year-old player of high promise, born Washington in County Durham, joined the Newcastle staff in August 1956. Inside right is the talented Welsh international star **IVOR ALLCHURCH,** secured from his native Swansea Town in October 1958. First capped by Wales in 1951 at the age of 21 years, he missed but one League appearance last season.

Centre forward menace and slick mover is the skilful **LEN WHITE,** equally at home in any forward berth. Born Skellow in Yorkshire, signed from Rotherham United in 1952, formerly a coal-miner, he eventually settled for full-time soccer five years ago. Has made several representative national appearances and last season scored no less than 28 League goals, not forgetting a brilliant solo goal in Paris ten days ago.

Inside left is the 27-year-old **JOHN McGUIGAN,** a native of Motherwell, who joined Southend United in May 1955, on to Newcastle in June 1958. In his first season with the Geordies he played in exactly half the League games, but last season made just one brief senior appearance. His left wing partner is **LIAM TUOHY,** born 27 years ago in Dublin, a recent star performer with Shamrock Rovers, regular League of Ireland choice last season, transferred to Tyneside as recently as May this year.
